

KEVIN TRAN

UX Designer

DESIGN PROJECTS

UX Designer(Contractor) / Element

Apr - May 2022 (Los Angeles, CA)

Lead UX research and designed high-fidelity mockups for user flow on a mobile-app that helps users view a more detailed weather application.

UX Designer(Contractor) / Paws Adoption

Mar - Apr 2022 (Los Angeles, CA)

Designed a responsive website to mobile app that helps users find the right pet for them. Created high-fidelity wireframes, responsive prototypes, and conducted usability testing.

UX Designer(Contractor) / Glendale Pho Co

Feb - Mar 2022 (Los Angeles, CA)

Conducted user research and usability tests to increase user satisfaction. Created wireframes and prototypes to better design web to mobile application.

WORK EXPERIENCE

Crisis Counselor / Crisis Text Line

May 2021 - Jan 2022

Applied abilities in techniques like active listening and collaborative problem-solving. Collected and documented information from clients about concerns and available contextual details.

Behavior Therapist / Intercare Therapy

Mar - July 2021

Collected data in observational studies and assisted in reinforcement techniques. Provided ongoing assessments of progress and created general strategies for behavior assessments.
